COVID Disclaimer

The safety of our guests is paramount to creating a positive event environment. In addition to any other risks posed by participating in an event, training, or meeting, there is a potential risk of exposure to COVID-19 and other harmful viruses or bacteria. As such, all staff, presenters, attendees, and guests must take the necessary safety precautions prior to in-person attendance at a CASA-sponsored event, meeting, or training. These precautions include monitoring current health status and refraining from in-person attendance if any symptoms exist; complying with all public health and governmental guidance in place at the time of the event; and if not fully vaccinated, wearing a mask when in close contact with others.

I both understand and will abide by the guidelines listed above and set forth at the time of the event.
